Some things for us...

Trash Free Waters Summit – continuing planning for the event that will be held on March 27<sup>th</sup> in Baltimore Maryland. We are working to sure up the agenda.

Anacostia Leadership Council Meeting On Thursday – Michelle Price-Fay will be attending the quarterly meeting in DC to talk about the status of the sediment work in the Anacostia. A representative from HSCD (Steve Hirsh) also expects to attend.

March 19<sup>th</sup> an All Federal Partners meeting will be held DC. The meeting is organized by the Anacostia Ambassador. Michelle Price-Fay and Catherine King will be attending.

Center for Inland Bays (CIB) board meeting occurred last weekend with Mike Hoffmann representing for EPA. One topic of interest was a draft report CIB prepared with recommendations for EPA and DNREC regarding the Mountaire groundwater issue. Most of the recommendations are for the State. Secretary Garvin, who is the DNREC board member, was present at the meeting and recommended that the Board wait on approving next steps on the document as they work to complete their course of action. The board agreed to hold off on finalization of the document and recommendations and discuss at the next board meeting scheduled for June.

We continue to work on awarding partial funding and are particularly focused on the Delaware 106 grant at this time to get the workplan into a shape where we can award partial funding.

Today is the manager shift in GAMB and Jackie Guerry begins as the new Chief of that Office and Lisa move to comptroller.
